

KEELHAULER REGATTA  
CAL MARITIME  
FEB 4, 2006

1:41 PM 2-16-06

REGATTA HIGHLIGHTS:

The Inaugural Keelhauler Regatta got underway with sunny skies and 12 kts of breeze out of the west. The ebb current (2.3 kts) and eddies along the shore made for some interesting racing. Spectators on shore had ring side seats to watch the 55 boats sail seven races. The breeze built to 15 kts and shifted to the North then lightened later in the day. Thanks to the Cal Maritime Sailing Team and Alumni for race committee, the students of Emergency Services Response Unit for running the coach and spectator boats, Liz Frangos for scoring and all the volunteers who helped carry the boats down the gangway. After racing, sailors enjoyed the live music of "Castaway" as trophies were presented to the top three finishers in each fleet as well as the the top three teams.
