REGATTA HIGHLIGHTS:

With a very light westerly breeze and strong flood current, the High School sailors ventured out into the Carquinez straits. The wind slowly built to 4-6 knots and the current began to lessen as the first race was started for A fleet. In the light breeze we had only a short window to try and get in as many races as possible before the rain enhanced ebb really kicked in. We were fortunate to get 4 races in each division. Congratulations to Gunn for sailing very well in the light air. Big thanks goes to PRO Jesse Cartee and the CMA Keelhauler Sailing team.
