

Little Daddy Regatta
 Richmond Yacht Club
 January 16, 2010

FINAL RESULTS

REGATTA HIGHLIGHTS:

The weather was overcast and hazy due to an approaching storm. The winds 5 to 8 knots out of the Northwest. The races were held in Keller Cove and both fleets stayed on the water with a short lunch break in between. The race committee was able to get off two complete rotations before the winds began to drop and shift to the North. The six foot ebb tide presented some challenges for the starters. After a hour wait for winds to fill in again, the race committee was able to complete two more full rotations before ending the regatta at 1500 hrs.
