SAILING INSTRUCTIONS: Will be available during regatta & the skippers meeting. 2010-2011 **NorCal League Provisions** will apply:

Format

- Each team must provide one class legal CFJ, sails and rigging.
- A team consists of 2 sailors who attend the same school.
- Each team will race in either Gold or Silver division. These divisions will be predetermined by the teams' own coaches.
- Gold and Silver fleets will start separately.
- No scores will be combined between school and/or fleets.
- Awards for top 3 in each fleet.

NorCal League Provisions continued...

Definition of a Team:

- A team is comprised of one boat. Schools can have as many teams as they would like to register.
- Each team shall be registered to compete in either the Gold or Silver fleet, as designated by their coach, and as indicated at time of registration
- If your school has more than one team please enter as team Gold 1, 2; Silver 1,2, 3 etc.
- Limits on Substitutes:
 - There shall be no limitations on substitutions within a High School roster during a regatta with one exception: after competing as a skipper, an individual shall not sail as a skipper for another team in either division.
 - In order to maintain the gold vs. silver fleet integrity, when substituting skippers, coaches are encouraged to replace gold skippers with gold caliber substitutes, and silver skippers with silver substitutes.
 - At a given NorCal regatta, there can be no more than one boat from a given HS using a substitute crew from another school. This cuts across participants in the Gold or Silver division, full or split teams. In other words, if there are 2 boats participating at a NorCal regatta from Big Bear High School , at least one of them must have both the skipper and crew from the same school...this to avoid having the two kids from Big Bear split up and sail two boats with two substitute crews, since that allowing this would work against motivating the longer term growth of each participating team.

Coaching:

- Coaching on the water is permitted between races.
- After the warning signal for a given race, coaching will not be permitted until a competitor has finished that race.
- To avoid any interference with boats still racing competitors shall be required to sail to an area at least 75 feet to starboard of the start/finish line to meet with coach/support boats.
