How was racing overall?

Racing was: Slow-going, but competitive. Mood of the Fleet: 😊 😊 😊 (ALL-over the place!)

Conditions ranged from 0 knots to 8 knots with *Flat* water, and some current. Overall, the regatta was a success! And for that I'd like to give a **Special Thanks** to the Volunteers and Coaches that assisted me with Registration, Mark Set, and Scoring. These events would not exist without the support from the sailors, coaches, host yacht club, and most importantly the parent volunteers! Thank you again for helping make the SoCal's possible! I look forward to seeing y'all at SoCal #4, which will be hosted at Alamitos Bay Yacht Club on February 4th, 2012.

Special Thanks to:
